Give of Yourself

Is your family looking for something to do together? Is your group looking for a way to build community? How about doing a one-time project that makes a big difference in a few hours: clean up a shelter, pack breakfast bags (Cup of Joe) for people who stay in our shelters, help load up food packages, and more. Do one, do them all. Most are appropriate for families and high school students.

Mentors are at least 25 years old and commit for an hour a week for a year. You will make a BIG difference in someone's life. Start now!
